NEXT STEPS

QUESTIONS ARE PROVIDED FOR PERSONAL STUDY AND APPLICATION TO TAKE THIS MESSAGE DEEPER INTO YOUR LIFE.

1. Pastor encouraged us to look at Isaiah 60:1-6 and see the contemporary promises and fulfillments in our own lives. Pastor didn't spend much time on verse 5 and 6, yet there are contemporary promises there as well. Our hearts can swell with joy, as the light of Christ shines forth in the church and amazing things occur as God's people give of their blessings to their king Jesus and support the work of carrying forth his message.

When you look around, how do you see cooperation of brothers and sisters in Christ who work together, support one another, and support the work of the gospel together?

How do you see people then drawn by God's light?

2. **Name two relationships in which you want to ask God to fix you as a star to shine brightly with the gospel message and draw people to Christ?**
