

Sharing the Victory of Easter

Easier than you think!

Victorious!

Easter provides a big opportunity for us to welcome many from our community to hear the amazing good news of our Savior and living hope he provides. Inviting someone to Easter worship might just be easier than you think:

Personal Invitations

The absolute best way to reach more people for Jesus!

- Use our Easter postcards now, then follow-up again later.
- Make an effort to present it in person.
- If you send it in the mail, include a note to express how much you would like to see them here.
- Offer to pick up those you invite, or meet them in the parking lot. It's easier to say yes if they know they can walk in with you.

Social Media

Evangelism with a click!

- Are you on Twitter? Facebook? Intstagram?
- Follow Beautiful Savior: search *bslclaporte*
- Share and repost Easter posts ("Liking" them is great – sharing or reposting them is even better!)
- Use Facebook's "check-in" feature each Sunday to let people know you worship at Beautiful Savior.

Every day

In conversations share simple, short stories of your faith, your connection to Jesus, and your church.

Keep it up!

Keep asking! Keep sharing! Keep inviting! Keep praying!

Use the reverse to develop a plan to connect with those you want to impact with the message of Easter this year.

Develop a plan...

1. **Write down some friends, relatives, associates, or neighbors,** whom you don't believe to have a church home.

2. **Pray** that the Holy Spirit would give you courage to invite them to join us and that he would lead them to accept your invitation.
3. **Deliver the invitations,** either by hand or through the mail. Don't worry about an immediate answer.
4. **Follow up** with those you invited.
5. **Give thanks** to God, no matter the result. Thank him for granting you this privilege to be a part of his saving work.

Thank you for your part in our mission to reach more people with the good news of our...

Beautiful Savior!
