### **WARM UP**

This week we remembered that Jesus is our Good Shepherd, and we are the sheep of his flock. A sheep may not be our first choice for comparison to an animal. **If you could be any animal for a day, what would you choose and why?** (Have some fun!)

Did anything surprise you in this week's message?

### **INTO GOD'S WORD**

In this week's Gospel, Jesus made the claim that he is the "Gate" through which we can "have life, and have it to the full." **Look up the follow scripture references, what connections do you see to Jesus' words in John 10?**

John 14:1-7

Luke 13:22-30

Pastor mentioned the sentiment of many people today, that there are multiple paths of spirituality that eventually lead to the same place. **Is this consistent with Jesus' words above?**

**What might you say or ask in response to someone who proposes this concept to you?**

### ***INTO MY LIFE***

Pastor emphasized that Jesus' voice is the only one for us to hear, yet there are many other voices in our world. **What are some of the different "voices" out in the world? What do they say?**

Which of these voices tend to grip hold of your ears and your heart?

Jesus said that all others aside from him come to “steal and kill and destroy.” **How do these other voices steal from us, kill, and destroy us?**

What practical steps do you find help you to listen to the voice of your Good Shepherd more regularly?
