WARM UP

This past Sunday was Mother's Day. **What did you do to celebrate a mom in your life? If you are a mom, which of the things your family did for you or gave to you did you appreciate most?**

If pastor had to share an abbreviated version of this message, what one point would you tell him he must include?

INTO GOD'S WORD

Pastor talked about the amazing way in which Jesus elevates the activities of believer's lives when he says, "I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father." **How do the words of 1 Peter 2:4-10 also emphasize Jesus' point?**

In John 14, Jesus also discussed the doctrinal concept of the Triune God, Father, Son, and Holy Spirit. He described this in verse 10: “Don’t you believe that I am in the Father, and that the Father is in me? The words I say to you are not just my own. Rather, it is the Father, living in me, who is doing his work.” God the Father carried out his work through Jesus. Jesus also carries out his work through us. **What do you learn from the following references?**

John 15:4-8

Galatians 2:20

Continue reading in John 14, verses 13-14. **How does it help us understand verses 13-14, to remember that Jesus works in and through us? In other words, since Jesus will be active in us, what will naturally, and proactively, occur in our prayer life?**

INTO MY LIFE

This week’s message talked about the loneliness women and mother’s can sometimes feel. Everyone can be struck by loneliness. **When do you feel the lonely? What tends to make you feel alone in this world?**

This weekend, Jesus reminded us that he has prepared a place for us in the house of our heavenly Father. While we will certainly enjoy an amazing fellowship of millions of believers in heaven, there is an emphasis in Jesus' words that he has prepared a place specifically for us. When we are children, there is something special about having our own room. **What encouragement and comfort do you feel, knowing that Jesus has prepared a place specifically for you?**

Pastor mentioned Jesus' familiar, yet bold, claim to be "the Way, the Truth, and the Life." Do you remember the last time you moved to a new home and a new city? Do you remember that frustrating feeling when you got lost every day? Over time, traveling that new place, you learned it, became familiar, and now immediately recognize the signs and landmarks that tell you you're going the right way. **What spiritual "signs" and "landmarks" remind you that you know the way, Jesus?**
