### **WARM UP**

As we begin a new session of Life Groups, what are you most excited to gain or learn through this group?

### **QUICK REVIEW**

Was there any one thing that stood out from this week's message as particularly helpful, insightful, or challenging?

### **INTO GOD'S WORD**

In this week's message, Seminarian Mike Schwab highlighted the historical context of the situation from Numbers 11. Many of the people of Israel complained against Moses because of the food God provided in the desert. Moses was a leader facing severe burnout, and God placed his spirit on other leaders and workers so they could support Moses. Seminarian Schwab pointed out that God continues to do this in his church today.

**The following sections of God's Word detail two other situations in which additional help was needed for the ministry to continue.**

**Read each section and then fill in the table.**

Reference	Leadership Challenge	Solution
Acts 6:1-7		
Titus 1:5-9		

**What insight do all three of these situations provide for how God desires his ministry to take place today?**

This week's message also encouraged us to be thankful for other churches and ministers, even though they may not be in full doctrinal agreement with us. The Gospel reading demonstrated a situation in Jesus' ministry similar to the situation in Numbers 11.

**Look again at Mark 9:38-50.**

**In what way do Jesus' words help us to rejoice "whenever and wherever the gospel is proclaimed"?**

**In what way do Jesus' words highlight the dangers of false teachings and how we should react to them?**

## ***INTO MY LIFE***

In this week's message we heard how God pours out his Spirit on this church.

**Agree/Disagree: God is completely in control of his ministry, whatever I do doesn't matter in the long run.**

**Make a list of specific ways you recognize God has put his Spirit on those around you to work in your life?**

**Consider writing a prayer to thank God for those gifts and blessings.**
