The message this week looked at 1 Peter 1:3-9. That section was full of important truths, many of which were not directly addressed in pastor's message. Use the main points of the sermon to further your understanding of this section as you look at the following questions:

- 3. How have you been able to witness someone's faith “proved genuine” through trials and difficulties?**
- 4. Verse 9 states that the “goal” of faith is the “salvation of your souls.” What perspective does that bring to you in your daily life?**
