QUESTIONS ARE PROVIDED FOR PERSONAL STUDY AND APPLICATION TO TAKE THIS MESSAGE DEEPER INTO YOUR LIFE.

1. Pastor didn't spend time on it in the sermon message, but it is interesting that the King in Jesus' story sent his servants to the first group of people twice. The language used in v. 4 emphasizes that the king sent servants "again." Explain the following statement:

God's grace is seen when he acts again and again in the same way.

2. Jesus' parable this week spoke about wearing the correct clothes in the kingdom of heaven. Read again the scripture reading from **Philippians 4:4-9** that was part of worship this week.
