NEXT STEPS

QUESTIONS ARE PROVIDED FOR PERSONAL STUDY AND APPLICATION TO TAKE THIS MESSAGE DEEPER INTO YOUR LIFE.

1. Pastor used the illustration of Judas to describe how the devil custom designs traps to lead God's people to a spiritual downfall. **Hypothetically speaking, if you were working for the devil, what custom designed opportunity or trap would you craft to lead to your spiritual downfall?**

How might you pray about this area of your life and ask God for wisdom to identify the trap and the strength to resist this temptation?

2. As another way to close the door on Satan's opportunities, Christians can put wise checks and balances into their life. **What does this need to look like in your life?** Talk about this openly and honestly with a trusted Christian friend who knows you well and has your back.
