

LISTENING GUIDE

Romans 5:12-19 – God's Greatest Cure

1. God delivers the diagnosis of _____:
 - 1) _____ fatality rate.
 - 2) _____ hereditary.
2. Sin is more than _____, but a complete lack of _____ in and _____ for God.
3. God's _____ is a _____ for sin.
4. Jesus' one life of _____ counts for _____.
5. This gift only comes through _____ man: Jesus Christ.

NEXT STEPS

QUESTIONS ARE PROVIDED FOR PERSONAL STUDY AND APPLICATION TO TAKE THIS MESSAGE DEEPER INTO YOUR LIFE.

1. This week's message highlighted how dangerous and deadly sin is in our lives. **Do you think day to day you remain consciously aware of sin's deadly result? Why or why not? What may lead you to be more aware?**

2. The message also declared God's joyful promise of a cure in Jesus. **Do you think day to day you remain consciously aware this joy you have? Why or why not? What may lead you to be more aware?**

3. This week we were reminded of the awesome message that we have to share with a dying world – that they can “reign in life” through Jesus. Now is not too early to consider with whom you desire to share the joyful Easter message and invite specifically to Easter worship. **Write down two or three names about whom you can pray:**

Pray that God lead you to speak to them and work in their hearts to accept your invitation.
